9/30/25 Get master meter reading and submit to ANR and Cindy and Jeff K.

Oct. water test: Passed

Sept. water usage: 689,577 gal

Open Discussion

The board members reviewed the draft copies of the updated Rules & Regulation and also the Bylaws. The review will continue at the next meeting and any changes needed will be noted and submitted to the SGFD lawyer for review and updates.

The board members felt that a correction was needed for better clarity to address the letter that went out to the customers with the latest water bills. In the letter it stated that if you became a board member you would get a credit on your water bill. ***Your water would not be free, but you would receive a stipend and you would receive a 1099 form for tax purposes.*** Also it was mentioned that the late fee would increase back to \$25.00 and that the reconnection fees would change as well. ***If an account is past due, you will be charged a \$25.00 late fee, plus a service restore fee not to exceed what is allowed by law to cover labor to restore the water service. This fee would vary depending on the day and time of day that the water service is being restored. These fees do not include or cover damage to water service lines or components of the water service coming from the main line or going to a customer's house as a result of a service being turned off.***

Eric asked for a motion to adjourn the meeting. A motion was made by Dave Westover and seconded by Alan Richards.

Voted and accepted by all board members with 4 aye votes. Approved

Meeting adjourned at 8:00 pm
Respectfully submitted by Jeff Vance (acting Clerk)
